My student may carry and is trained by LHP to self-administer his/her own EAI:	☐ Yes	☐ No	Provide extra for office?	☐ Yes ☐ No
My student may carry and use his/her asthma inhaler with LHP approval:	☐ Yes	☐ No	Provide extra for office?	☐ Yes ☐ No

- I request this medication to be given as ordered by the licensed health professional (LHP) (i.e., doctor, nurse practitioner, PAC).
- I give health services staff permission to communicate with the LHP/medical office staff about this plan and medication.
- I understand that the medication may not be administered by a nurse but may be administered by school staff trained and supervised by an RN.
- To help better ensure my elementary age child is served appropriate meals while at school, I give Nutrition Services staff permission to provide the student with a beige lunch tray and allergy identification card to use when eating school breakfast and lunch. ☐ Yes ☐ No (elementary only)
- I release school staff from any liability in the administration of this medication at school.
- I understand this is a life threatening health care plan and can only be discontinued, in writing, by the prescribing LHP.
- Medical/medication information may be shared with school staff working with my child and 911 staff, if they are called.
- All medication supplied must come in its originally provided container with instructions as noted above by the LHP.
- Student is encouraged to wear a medical ID bracelet identifying the medical condition.
- This permission to possess and self-administer any medication may be revoked by the principal/school nurse if it is determined that the student cannot safely and effectively self-administer the ordered medications.
